PROFESSIONAL EXPERIENCE

Justice Works, LLC | Centerville, UT

Aug 2022 - Current

Web Developer I

- Showed the ability to learn and apply new skills to efficiently complete tickets assigned to me.
- Used HTML, CSS, and Javascript to build functional components for the customer to use on a daily basis.
- Utilized problem-solving skills to produce creative solutions to tasks given to me.

DevMountain Student Developers | Lehi, UT

Feb 2022 - May 2022

Web Developer / Software Engineer (student)

Sell Monkey - [Github Repo](#) | [Demo](#) | [Hosted Site](#)

CSS | SASS | React JS | NodeJS | Express | Cors | PostgreSQL | AWS S3 | Auth0 | Stripe |

- Utilized ReactJS to develop an application allowing users to buy and sell used items.
- Protected user data with Auth0 for a secure way to log in to the application.
- Used Stripe to allow users to purchase items with debit or credit cards securely.

Trip Planner Application - [Github Repo](#) | [Demo](#) | [Hosted Site](#)

HTML | CSS | JavaScript | NodeJS | Express | Cors | PostgreSQL | AWS S3 |

- Developed an application using Vanilla JS enabling users to keep track of desired vacation cities.
- Provided authentication and user credentials using Bcrypt to ensure each user's profile security.
- Used AWS S3 allowing users to upload pictures to the database upon completing a pre-saved trip.

America First Credit Union | Ogden, UT

Dec 2020 - Feb 2022

Member Service Representative

- Identified solutions for clients using active listening and company resources to improve company customer ratings.
- Informed clients of the company of resources available to them to enhance their personal banking, which saved the company and client time.
- Implemented new techniques to improve how I communicated with clients through training provided by the company in order to give each client a better experience.
- Worked on a team in which I strived to be uplifting to each of my coworkers in order for them to feel comfortable in the work environment each day.

Service/Leadership

The Church of Jesus Christ of Latter-day Saints | Port Vila, Vanuatu

August 2018 - April 2020

Full-Time Missionary

- Worked as a service missionary for a period of 20 months.
- Strengthened leadership and communication skills as I oversaw multiple groups of other missionaries.
- Developed a strong work ethic as I worked 10 hours a day to meet personal goals.
- Became fluent in speaking, writing, and reading Bislama.
